Public Hearings

1. General Stor-Age Project Design Review (2007-PDR-0001) Appeal

Appeal of the Community Development Director's decision to deny a Project Design Review application for a two-structure self-storage facility. The project is located in the 6100 block of 200th St SW, approximately 350 feet to the east of the Highway 99 adjacent to Schucks Auto Parts. The property is zoned Community Business (B-1). (The appellant has also applied for Planned Unit Development (PUD) approval, as the current zoning for the property does not permit self-storage facilities.)

The public is invited to attend.

Parking and meeting rooms are accessible for persons with disabilities.
Contact the City at 425-670-5001 with 24 hours advance notice for special accommodations.
