TO: Chair Wright and Members of the Planning Commission
FROM: Kevin Garrett, Planning Manager
SUBJECT: Planning Commission Meeting, January 22, 2009

This memorandum provides brief background comments for the items on the Agenda for the January 22, 2009 Planning Commission meeting.

Election of Officers: The Rules of the Planning Commission provide that the Commission shall elect officers for a calendar year at the first regular Commission meeting for that year. Attached is a summary description of the process for the Commission to elect new officers.

Resolution of Appreciation for Elisa Elliott: Commissioner Elliott’s term-of-office ended on December 31, 2008 and she has asked not to be reappointed. She had served on the Planning Commission since May, 2003. During that time, she worked on a series of major proposals that came before the City, including:

- City Center Subarea Plan,
- New zoning districts and regulations for the City Center,
- Update of residential zoning regulations;
- Various amendments to the Municipal Code;
- The Mobile Home Park Preservation Program and
- Annual Docket processes.

A draft resolution of appreciation for her service on the Commission will be presented at the Commission meeting.

Recruitment of a New Planning Commissioner: Recruitment of a new member of the Planning Commissioner is underway, and staff will report on the status of that recruitment. Three candidates for appointment to the Commission have been invited to attend this Commission meeting and will be introduced to the Commission.
Update on Annexation Project: Consideration of the two annexations in the City’s Municipal Urban Growth Area (MUGA) has moved forward, and action by the City Council on “Resolutions of Intent to Annex” for these annexations is scheduled for February 9, 2009. Staff will update the Commission on these annexations and will distribute copies of recent project documents.

Future Meetings: Staff will review a preliminary 2009 schedule for the Commission.

Other Matters: Staff will brief the Commission on other ongoing projects or matters that will come before the Commission, such as:
