Planning Commission Rules – Public Comment

Lynnwood Department of Community Development

Action

Discuss

Background

LMC Section 2.24.100 provides that the Planning Commission may adopt rules for the conduct of the Commission’s business. The Rules for the Planning Commission were last updated in 2002 (a copy is attached). These rules do not provide specific direction for conduct of work sessions.

Relevant Legal Citations

LMC 2.24.100 Procedures, records and minutes

“The advisory body shall adopt rules of procedure. The advisory body shall provide for the taking of minutes and maintaining the records of all regular and special meetings. Any advisory body may establish standing or ad hoc committees to assist in accomplishing its duties and responsibilities.”

Analysis and Comment

At recent meetings, at the suggestion of staff, the Planning Commission has heard public comment on work session items at the beginning of the item. This represents a change from the past practice of the Commission; however, it does not violate the rules as the rules are generally silent on the conduct of a work session. It does provide the public with an opportunity to comment on an item at the time when the item is being discussed.

This agenda item provides the opportunity for the Commissioners to discuss this time for public comment at work sessions. Is it appropriate and serving a useful purpose? Would such comments better be made during the “Citizen Comments” portion of the meeting? This item also provides the opportunity for asking questions about other parts of the Rules.
At the conclusion of that discussion, the Commission may give direction to staff regarding potential amendments to the Rules. Action on such amendments would be scheduled for a Commission meeting in January.

The official seat of the Lynnwood Planning Commission shall be the Lynnwood Civic Center Council Chambers, 19100 44th Avenue West, P.O. Box 5008, Lynnwood, Washington 98046-5008.

ARTICLE III: AUTHORITY

Section 1: Historical Background
The Planning Commission was established under the authority of the Revised Code of Washington, RCW 35.63, "Planning Commission", Laws of 1935. LMC 18.16 established at the municipal level the Commission’s powers, duties and many of its procedures. In 1971, the City changed its type of city classification under state law, becoming an Optional Municipal Code city. This action allowed the City to utilize the state regulations contained in RCW Title 35A. RCW 35A.63 allows a city to be much more flexible with the make-up and duties of a planning commission.

On January 13, 1997, the Lynnwood City Council adopted Ordinance #2121 adding Chapter 2.24 LMC providing general organizational and procedural provisions applying to all City advisory bodies. Ordinance #2121 also amended Title 18, Chapter 18.16 of the Lynnwood Municipal Code pertaining to the Planning Commission and renumbered it to LMC Chapter 2.29.

Section 2: Powers And Duties
The Planning Commission shall have all the powers and perform each and all of the duties specified for a planning agency by RCW 35A.63, together with any other duties of authority which may hereafter be conferred upon them by the laws of the State of Washington. The performance of such duties and the exercise of such authority shall be subject to each and all the limitations expressed in legislative enactment or enactments.
Section 3: Annual Scope of Work

The Planning Commission shall serve as an "advisory body" to the City of Lynnwood and may act as the research and fact finding agency for the municipality. To that end it may make such surveys, analyses, research and reports as are generally authorized or requested by its Mayor or City Council, or by the State of Washington with the approval of the City Council.

The Planning Commission shall undertake the following:

A. Annually review the Comprehensive Plan of the City as specified by the Growth Management Act of the State of Washington and suggest plan amendments, as appropriate.

B. Annually, review all applications and suggestions for plan amendments to the Comprehensive Plan and official zoning map.

C. Annually, review its portion of the City budget and suggest desired amendments, as relates to comprehensive plan, capital facilities plan, and policy matters.

D. Review and perform extraterritorial planning for Urban Growth Areas as defined by Snohomish County and for annexation areas under consideration by the City.

E. Conduct neighborhood and community hearings and meetings, both formal and informal in nature, regarding its studies, recommendations and proposals.

F. Participate in preparing an annual report showing achievement toward fulfilling goals, policies and objectives of the Planning Commission.

G. Prepare an annual work plan for the ensuing year.

H. Present major policy advisories to the Mayor and City Council.

I. Meet with the Mayor, City Council and the Hearing Examiner, on an annual basis and other advisory boards, as required.

J. Examine and respond to referrals from the City Council, Mayor or staff, including public meetings or formal hearings.

K. Perform other advisory duties as may be provided by ordinance or as may be assigned to it by the City Council or Mayor.

Section 6: Vacancies In Offices
Vacancies in elective offices shall be filled immediately by regular election procedure for the unexpired portion of the term.

Section 7: Resignation Or Removal of Planning Commission Member
In the event that a Planning Commissioner can no longer fulfill his or her responsibilities, or is no longer a full-time resident of the City of Lynnwood or misses twenty-five percent (25%) or more of the Commission's regularly scheduled meetings within a twelve (12) month period (unless excused by the Commission), it may be appropriate that the Commissioner resign or be removed from the Commission. Section 4: Limited Powers
No standing or special committee shall have the power to commit the Planning Commission to the endorsement of any action, plan or program without its submission to the body of the Planning Commission.

ARTICLE VII: PLANNING COMMISSIONER CONDUCT

Section 1: Public Statements
While any Planning Commissioner has a right to express personal views and opinions pursuant to our Constitutional guarantees of freedom of speech, statements purporting to represent the view or pronouncements of the Lynnwood Planning Commission or committees thereof shall not be made in advance of the Lynnwood Planning Commission’s final determination of the matter, except as directed or authorized by a majority of the entire Lynnwood Planning Commission at any special or regular meeting or public hearing. The Lynnwood Planning Commission shall appoint one of its members to issue such statements as the Lynnwood Planning Commission deems necessary. This shall not prejudice the right of any dissenting members to express their minority position.
Lobbying efforts by any Advisory Bodies on legislative, or political, matters should first be checked for consistency with existing City policy by contacting the Mayor's office. In the event a position is taken that differs from that of the City’s policy, an Advisory Body cannot represent that position before another body, e.g., the State Legislature of the County Council. An individual member is free to voice a position, oral or written, on any issue as long as it is made clear that the member is not speaking as a representative of the City, or as a member of an Advisory Body.

Section 2: Ex-Parte Contacts And Sharing Of Information

It is in the public interest that, to the greatest extent possible, all members of the Planning Commission should have an opportunity to be aware of and act upon the information that is available to other members. Therefore, all members are encouraged to place upon the record of the Planning Commission the substance of all ex-parte contacts that have occurred during the time that either a quasi-judicial or legislative matter has been introduced and is still before the Planning Commission for a decision. Examples of legislative issues on which the Planning Commission deliberates and makes recommendations include comprehensive plan amendments, code amendments, and other policy recommendations.

With respect to matters of a quasi-judicial nature, members shall abide by the provisions of the Appearance of Fairness Doctrine of the State of Washington, as codified at RCW 42.36; as adopted or subsequently amended. Examples of quasi-judicial land use matters are those which determine the legal rights, duties, or privileges of specific parties in a hearing or other contested case proceedings. Ex-parte communications during the pendency of any quasi-judicial proceeding are prohibited unless the member engaged in such communications: 1) places on the record the substance of any written or oral ex-parte communications concerning the decision of action; and 2) provides that a public announcement of the content of the communication and of the parties' rights to rebut the substance of the communication shall be made at each hearing where action is considered.

Section 3: Conflict Of Interest Or Appearance Of Fairness

If it shall appear to any member at any time that a conflict of interest or an appearance of fairness problem exists with respect to a matter pending before the Lynnwood Planning Commission, it shall be the member's duty to openly state the nature of such conflict, and shall then refrain from participating in any subsequent deliberation of the Lynnwood Planning Commission and the decision-making process with respect to the matter.

Section 4: Attendance

Regular attendance of Planning Commission at regularly scheduled or special meetings is important and critical to the operation of this advisory body. Each Planning Commissioner is responsible for notifying the Chair and Planning Department when a scheduling conflict arises that prevents a Commissioner from attending a scheduled meeting.
In the event that a Planning Commissioner cannot actively participate in regularly scheduled or special meetings, the Planning Commissioner should consult with the Chair and the Executive Secretary to determine if his or her absence can be accommodated. If the scheduled absence proves disruptive, the Planning Commissioner should consider resigning his or her Planning Commission position.

Section 5: Conduct Of Business
The Chair shall direct the conduct of meetings. A Planning Commissioner should seek recognition of the Chair before speaking.

Section 6: Decision Of The Commission
The Lynnwood Planning Commission’s goal is to provide a consensus recommendation to the Mayor and City Council on matters referred to the Planning Commission for action after full and complete discussion with all members in attendance. Each Planning Commission member should strive to fulfill this goal by attending as many Commission meetings as possible and by expressing his or her views.

When, despite the best efforts of each member, a consensus cannot be reached, minority reports may be prepared and forwarded to the Mayor and City Council. When a decision is reached, a member not voting with the majority may prepare a minority report. When the minority is comprised of more than one individual, and if requested, the minority report may be prepared by Community Development Department staff.

A minority report, or request for preparation of a minority report, shall be made within seven (7) calendar days of the date of majority action, or the right to transmit such report shall be deemed to have been waived. All minority reports shall be signed by the members who prepare, or request preparation, of the report and shall be forwarded to the Mayor and City Council by the Chair. Minority reports will be transmitted by the Chair at the same time as the majority recommendation is transmitted, with copies distributed to all members.

In every case where the action of the Planning Commission is overruled, reversed or not adopted by the City Council, the Executive Secretary will make available to the Lynnwood Planning Commission, at its next regular meeting, the findings, conclusions and decision of the City Council.

ARTICLE VIII: AMENDMENTS

These Scope and Rules may be amended at any regular meeting by the affirmative vote of four (4) members of the Planning Commission; provided that the proposed amendments together with the precise wording of such changes has been presented at the previous meeting.
