WHEREAS, the purposes of the application for reclassification are to: a) maintain consistency with a requested change to the Comprehensive Plan Future Land Use Map designation for the same property, from PF – Public Facilities to MU – Mixed Use; and b) enable redevelopment of the now-vacant property as a mixed-use community and retail center; and

WHEREAS, prior to taking action on that application, in Ordinance No. 2976 the City Council took action on a requested change to the Comprehensive Plan Future Land Use Map for the former Lynnwood High School site; and

WHEREAS, as provided by Chapters 1.35 and 21.22 LMC, the City has established procedures and decisional criteria for proposed reclassifications of property; and

WHEREAS, the process for amending the Comprehensive Plan Future Land Use Map and the Current Zoning Map include multiple opportunities for meaningful public participation and input, including public hearings conducted by the Planning Commission and by City Council; and

WHEREAS, the City Council acknowledges the Edmonds School District’s determination that the 40-acre property is no longer needed for educational purposes, and that no public
agency has come forward with a viable proposal to re-purpose this land, and that it is in the public’s interest that the property now be redeveloped via private-sector resources; and

WHEREAS, pursuant to the State Environmental Policy Act (SEPA), a Determination of Significance (DS) was issued by the City of Lynnwood SEPA Responsible Official and an Environmental Impact Statement was prepared and issued for the proposed redevelopment of the former Lynnwood High School property; and

WHEREAS, on October 13, 2011 and December 4, 2012, the proposed amendments to the Comprehensive Plan Future Land Use Map, and the Zoning Map were submitted to the Department of Commerce in accordance with RCW 36.70A.106 and WAC 365-196-630, and on January 10, 2013, a public hearing before the Planning Commission was held; and

WHEREAS on February 11, 19, 20, and 25, 2013, the City Council held a public hearing, conducted post-hearing deliberations, and took action on the proposed amendments to the Comprehensive Plan Future Land Use Map, Zoning Map and Zoning Code; and

WHEREAS, after considering all testimony and other evidence submitted at or before the public hearings, the City Council determined that it is in the best interests of the public health, safety and general welfare to approve the amendment to the City's Current Zoning Map, with conditions, and enacted Ordinance No. 2978 approving the amendment with conditions; and

WHEREAS, the City Council did hold a hearing on October 28, 2013, on the proposed Development Agreement for the project, and thereafter on November 4, 2013, deliberated and determined that it is in the best interests of the public health, safety and general welfare to approve the proposed agreement, and then took action approving that agreement; and

WHEREAS, the City's SEPA Responsible Official has determined that the proposed amendment to the timing of the recording of the Development Agreement does not have a significant impact on the environment and therefore, no hearing is required on this amendment; and

WHEREAS, after considering all testimony and other evidence submitted at or before the public hearings, the City Council determined that it is in the best interests of the public health, safety and general welfare to approve the proposed amendment to Ordinance No. 2978, to require that the Development Agreement be recorded by May 30, 2014;
