1. Brand Credo:
Lynnwood, Washington: An enticement in suburban Seattle for those seeking world-class shopping matched only by world-class deals. But for those who live here, Lynnwood offers a great deal more. It’s an amazing secret that’s just too good not to share. Situated at the northern intersection of I-5 and I-405, Lynnwood is the kind of place people can’t stop talking about. And while everyone knows about our shopping, it’s important to discover all the other things we have to offer as well. In Lynnwood, you’ll find art and culture, parks and trails, higher education and more. We’re a people-focused community built on a tapestry of human connection. Only in a city like ours could you find so much coming together in such a vast marketplace of opportunity. And when it comes to opportunity, you’ll find plenty of that here as well. You’ll also find a diverse population with an entrepreneurial spirit actively shaping the city’s progress as a leading marketplace of business and commerce. With our unique location, superior accessibility and vision for the future, we’re perfectly positioned to continue our growth.
