for

WATER TREATMENT CHEMICALS

ITB # 2224

Date issued: April 15, 2013
1. INTRODUCTION

1(A) Background

The City of Lynnwood (the “City”) is located in South Snohomish County approximately fifteen (15) miles north of Seattle and twelve (12) miles south of Everett. The City serves as the primary business center of south Snohomish County. The City has a population of over 35,000 and encompasses almost eight (8) square miles in Snohomish County. A mayor-council form of government administers the City with seven (7) elected Council members and an elected Mayor. The City’s approximately 311 regular full-time employees, 17 regular part-time employees, and 150 part-time/seasonal employees provide an array of services including police, fire protection, emergency medical services, water distribution, sewage collection and treatment, street construction and maintenance, and parks and recreational facilities including a pool, a senior center, and a golf course. The City also has a municipal court and a jail facility that provide services locally and to other governmental agencies.

The Mayor directs all City operations. The location of City Hall is 19100 44th Avenue West, Lynnwood WA 98046.

The City has nine (9) central departments: Fire; Police; Human Resources; Public Works; Municipal Court; Economic Development; Administrative Services; Parks, Recreation and Cultural Arts; and Community Development.

For more information about the City of Lynnwood, visit the City’s website at http://www.ci.lynnwood.wa.us.

1(B) ITB Purpose and Summary

The City is receiving competitive bids for the purchase of water treatment chemicals to be used at the wastewater treatment plant per the specifications listed in Section 4.

Optional Site Visit: The City will make the worksite and structures open and accessible on the date, time and place as shown on the Timelines and Schedules, Section 2, of this Invitation to Bid.

2(D) ITB Evaluation Criteria

An evaluation team composed of the members of the Selection and Evaluation Team listed in Section 2(B) and others will evaluate the ITB responses received from each vendor. Prior to the selection of the award to the apparent successful vendor, the City reserves the right to conduct on-site visits of any vendors’ facilities and/or require any vendor to participate in a presentation to the evaluation team (and others) of the items contained in the ITB response and any other items deemed appropriate by the City.

If an award is made as a result of this ITB, it shall be awarded to the vendor whose proposal is most advantageous to the City with price and other factors including, but not limited to, Responses to the ITB questions; demonstrated technical ability and expertise; financial stability; reference calls and/or recommendations; memberships, licenses, ISO Certifications or any other applicable membership or certifications; presentations to the City evaluation team and others (if applicable); on-site visits at vendor’s site (if applicable), product samples which the City may, at its discretion, request as part of the ITB process; any additional criteria deemed appropriate by the City which would lend itself to establishing the Service Provider’s viability to perform the work as outlined in this ITB.

When determining whether a vendor is responsible, or when evaluating a vendor’s proposal, the following factors will be considered, any one of which will suffice to determine if a vendor is either not a responsible vendor or if the vendor’s proposal is not the most advantageous to the City:

1. The ability, capacity and skill of the vendor to perform the contract or provide the service required.
2. The character, integrity, reputation, judgment, experience and efficiency of the vendor.
3. Whether the vendor can perform the contract within the time specified
4. The quality of performance of previous public and private contracts or services, including, but not limited to, the vendor’s failure to perform satisfactorily or complete any written contract. The City’s termination for default of a previous contract with a vendor shall be deemed to be such a failure.
5. The previous and existing compliance by the vendor with laws relating to the contract or services.
6. Evidence of collusion with any other vendor, in which case colluding vendors will be restricted from submitting further bids on the subject project or future tenders.
7. The vendor is not qualified for the work or to the full extent of the ITB.
8. There is uncompleted work with the City or others, or an outstanding dispute on a previous or current contract that might hinder, negatively affect or prevent the prompt completion of the work bid upon.
9. The vendor failed to settle bills for labor or materials on past or current public or private contracts.
10. The vendor has been convicted of a crime arising from a previous public contract, excepting convictions that have been pardoned, expunged, or annulled.
11. The vendor has been convicted of a crime of moral turpitude or any felony, excepting convictions that have been pardoned, expunged or annulled, whether in this state, in any other state, by the United States, or in a foreign country, province or municipality. Vendors shall affirmatively disclose to the City all such convictions, especially of management personnel or the vendor as an entity, prior to notice of award or execution of a contract, whichever comes first. Failure to make such affirmative disclosure shall be grounds, in the City’s sole option and discretion, for termination for default subsequent to award or execution of the contract.
12. More likely than not, the vendor will be unable, financially or otherwise, to perform the work.
13. At the time ITB award, the apparent successful vendor must obtain a City of Lynnwood business license. Failure to do so will constitute a determination that the vendor is not responsive and may be disqualified.
14. Such other information as may be secured having a bearing on the decision to award the contract.
15. Any other reason deemed proper by the City.

2(E) Notices and Response Criteria

2(E)1 Good Faith
This ITB has been compiled in good faith. The information contained within is selective and subject to the City’s updating, expansion, revision and amendment.

2(E)2 Right to Cancel
The City reserves the right to change any aspect of, terminate, or delay this ITB, the ITB process and/or the program which is outlined within this ITB at any time, and notice shall be given in a timely manner thereafter.

2(E)3 Not an Award
Recipients of this ITB are advised that nothing stated herein, or any part thereof, or any communication during the evaluation and selection process, shall be construed as constituting, offering or awarding a contract, representation or agreement of any kind between the City and any other party, save for a formal written contract, properly executed by both parties.
2(E)4  Property of the City
Responses to this ITB will become the property of the City, and will form the basis of negotiations of an agreement between the City and the apparent successful vendor.

2(E)5  City not Liable for Costs
The City is not liable and will not be responsible for any costs incurred by any vendor(s) for the preparation and delivery of the ITB responses, nor will the City be liable for any costs incurred prior to the execution of an agreement, including but not limited to, presentations by ITB finalists to the City.

2(E)6  City’s Expectations
During the review of this document, please note the City’s emphasis on the expectations, qualities, and requirements necessary to be positioned as an ITB finalist and successful vendor.

2(E)7  Waiver of Minor Administrative Irregularities
The City reserves the right, at its sole discretion, to waive minor administrative regularities contained in any proposal.

2(E)8  Single Response
A single response to the ITB may be deemed a failure of competition, and in the best interest of the City, the ITB may be cancelled.

2(E)9  Proposal Rejection; No Obligation to Buy
The City reserves the right to reject any or all proposals at any time without penalty. The City reserves the right to refrain from contracting with any vendor. The release of this ITB does not compel the City to purchase. The City may elect to proceed further with this project by interviewing firm(s) well–suited to this project, conducting site visits or proceeding with an award.

2(E)10  Right to Award
The City reserves the right to make an award without further discussion of the proposal submitted. Therefore, the proposal should be submitted initially with the most favorable terms the vendor can offer.

2(E)11  Withdrawal of Proposals
Vendors may withdraw a proposal that has been submitted at any time up to the proposal closing date and time. To accomplish this, a written request signed by an authorized representative of the vendor must be submitted to the ITB Contact. The vendor may submit another proposal at any time up to the proposal closing date and time.

2(E)12  Non-Endorsement
As a result of the selection of a vendor to supply products and/or services to the City is neither endorsing nor suggesting that the vendor’s product is the best or only solution. The vendor agrees to make no reference to the City in any literature, promotional material, brochures, sales presentation or the like without the express written consent of the City.

2(E)13  Proprietary Proposal Material
Any information contained in the proposal that is proprietary must be clearly designated. Marking the entire proposal as proprietary will be neither accepted nor honored. If a request is made to view a vendor’s proposal, the City will comply according to the Open Public Records Act, chapter 42.17 RCW. If any information is marked as proprietary in the proposal, such information will not be made available until the affected vendor has been given an opportunity to seek a court injunction against the requested disclosure.

2(E)14  Errors in Proposal
The City will not be liable for any errors in vendor proposals. Vendors will not be allowed to alter proposal documents after the deadline for proposal submission.
The City reserves the right to make corrections or amendments due to errors identified in proposals by the City or the vendor. This type of correction or amendment will only be allowed for such errors as typing, transposition or any other obvious error. Vendors are liable for all errors or omissions contained in their proposals.

If, after the opening and tabulation of proposals, a vendor claims error and requests to be relieved of award, s/he will be required to promptly present certified work sheets. The ITB contact will review the work sheets and if the ITB Coordinator is convinced, by clear and convincing evidence, that an honest, mathematically excusable error or critical omission of costs has been made, the vendor may be relieved his/her proposal.

After opening and reading proposals, the City will check them for correctness of extensions of the prices per unit and the total price. If a discrepancy exists between a price per unit and the extended amount of any proposal item, the price per unit will control. The City will use the total of extensions, corrected where necessary.

2(E)15 Bid Bond – A bid bond is not required

2(E)16 Performance Bond - A performance bond is not required.

2(E)17 Payment Bond – A payment bond is not required.

2(E)18 Funding
Any contract entered into as a result of this ITB is contingent upon the continued funding by the City of Lynnwood.

2(E)19 Terms of Payment
The City’s terms of payment are Net 30 days upon receipt of an undisputed invoice for goods that have been delivered and accepted. No down payment or advance payment of any kind will be made. Washington State law requires proof that the materials have been furnished, the services rendered or the labor performed as described before payment may be made. A vendor may submit an invoice for partial shipments or progress payments. All invoices must be submitted to:

City of Lynnwood
Accounts Payable
P O Box 5008
Lynnwood, WA  98046-5008
3. BIDDING INFORMATION

3(A) Bidding Information
Sealed bids for this requirement will be received at the City of Lynnwood, Purchasing and Contracts Division, P.O. Box 5008, Lynnwood, WA 98046-5008, or hand-delivered to 19100 44th Avenue West, Lynnwood, WA, 98036, until 2:00 p.m., on the day and date shown in the Timeline, Section 2(A). Only bids that arrive in the Purchasing and Contracts Division by the deadline will be considered.

Bid submittal sheets are attached as Section 5 and must be used in the submittal. All bids shall be submitted on furnished forms. Failure to use the furnished forms may be a cause for disqualification.

Information regarding this solicitation, including addenda and bid results are available at www.ci.lynnwood.wa.us > purchasing > bids and awards. The City reserves the right to reject any or all submittals, waive technicalities or irregularities, and accept any submittals if such action is believed to be in the best interest of the City.

By the submission of a bid responding to this ITB, all bidders certify that they are not on the Comptroller General’s list of ineligible contractors (the State Debar list) nor the list of parties excluded from Federal procurement or non-procurement programs (the Federal Debar list).

3(B) Alternate Bids
The City will consider alternate bids submitted by the bidder. Alternate bids shall be clearly marked with the proposed alternates, and include all pricing/cost advantages, if applicable.

For alternate bids to be considered, they must be accompanied by a response based on the original ITB.

3(C) Bid Validity
Pricing shall be good through current year production cycle OR, if the production cycle is not applicable, for a period of 180 days after award.

3(D) Split Award
The City reserves the right to split the award between vendors if it is determined to be the most advantageous to the City.

3(E) Cooperative Purchasing
RCW 39.34 allows cooperative purchasing between public agencies (political subdivisions). Public agencies which have filed an Intergovernmental Cooperative Purchasing Agreement with the City and which are actively participating may purchase from City contracts, provided that the vendor has agreed to such participation. Each bidder shall indicate on the bid submittal form (5D) if it will honor other public agency orders in accordance with contract terms and conditions in addition to orders from the City. The City does not accept any responsibility for orders issued by other public agencies.

Public agencies desiring to use the City’s contracts must have executed an Intergovernmental Cooperative Purchasing Agreement with the City, as required by RCW 39.34. Only those public agencies that have complied with these requirements are eligible to use this contract. The public agency accepts responsibility for compliance with any additional or varying laws and
regulations governing purchase by or on behalf of the public agency in question. A purchase by a public agency shall be in effect by an order from the public agency, directed to the vendor or other party contracting to furnish goods or services to the City. The City accepts no responsibility for the performance of any purchasing contract by the vendor, nor any responsibility for payment of the purchase price for any public agency.
4. SPECIFICATIONS

The quantities listed in this specification are “estimated” annual requirements. The City will place orders as needed.

Vendor’s delivery trucks are required to back down a long steep driveway. There is not a turnaround at the delivery site for long truck and trailers. All deliveries must be made during daylight hours.

Vendor must be capable of supplying one (1) each 525-gallon primary storage tank well, pipe plumbed with proper secondary containment for the storage of Sodium Hydroxide and Sodium Bisulfite and a 300-gallon primary storage tank with proper secondary containment for Sodium Hypochlorite. These bulk storage tanks are to be supplied at no cost to the City of Lynnwood.

Trucks must be equipped with pump and at least 50 feet of flexible two (2) inch hose with nozzle for delivery into top of storage tank. Any Sodium Hypochlorite spilled during unloading is classified a hazardous material spill. It is the responsibility of the vendor to promptly clean up and properly dispose of any chemical spilled during transfer.

Vendor will fill bulk storage tanks at the City’s Waste Water Treatment Plant:

City of Lynnwood
Waste Water Treatment Plant
17000 76th Ave W.
Edmonds, WA 98026

The vendor must be able to provide a continuing supply as required by the City.

1. Sodium Hypochlorite 12.5% NaOCl liquid

Estimated Annual Usage: 2,400 gallons (US)
Delivery Size: In 2012, there were 12 deliveries of approximately 200 gallons each.

2. Sodium Bisulfite 38% NaHSO3 liquid

5(C) Delivery

ASSURING A CONTINUOUS SOURCE OF SUPPLY

It is vital to the City of Lynnwood’s water treatment operations that a continuous source of these chemicals is guaranteed. To aid transition from a current vendor to a new vendor that may result from this bid, all bidders MUST respond to the Start-up Delivery questionnaire. Lead time indicated on the Start-up Delivery questionnaire will be considered firm and may be considered when determining the lowest, responsive bidder(s).

Indicate below the number of calendar days your company guarantees an initial delivery can be made after receipt of a City of Lynnwood purchase order. All delivery requirements as spelled out in these specifications must be met.
