Pursuant to Chapter 39.34 RCW and to other provisions of law, the State of Washington, Department of General Administration, Office of State Procurement, Purchasing and Contract Administration, (hereinafter called the “Office of State Procurement” or “OSP”), and the following named public agency, City of Lynnwood (hereinafter called the “Cooperative member”) hereby enter into this Intergovernmental Cooperative Purchasing Agreement (hereinafter called the “Agreement”), the purpose of which is for undertaking governmental purchasing activity that each party is authorized by law to perform, upon the following terms and conditions:

1. The Cooperative member must be an agency, Cooperative member, or unit of local government of Washington state including, but not limited to, municipal corporations, quasi-municipal corporations, special purpose districts, and local service districts; any agency of Washington state government; any agency of the United States; any Indian tribe recognized as such by the federal government; and any Cooperative member of another state of the United States.

2. The Office of State Procurement, in contracting for the purchase of goods and services according to the laws and regulations governing purchases by and on behalf of the State of Washington, agrees to contract on behalf of the Cooperative member, to the extent permitted by law and agreed upon by both parties. The Cooperative member accepts responsibility for compliance with any additional laws and regulations governing purchases by or on behalf of the Cooperative member.

3. The Office of State Procurement shall comply with its statutory requirements regarding notice for bids or proposals for goods or services subject to this Agreement, and shall either post the bid or solicitation notice on a website established and maintained by OSP for the purposes of posting public notice of bid or proposal solicitations, or shall provide an access link on the State of Washington’s web portal to the notice.

4. When the Office of the State Procurement has entered into a contractual agreement for the purchase of goods or services on behalf of Cooperative member(s), the Cooperative member may purchase goods and services covered by the contract on the same terms and conditions as the State of Washington, except that the contractor has the right to modify payment terms based on their credit assessment of the Cooperative member. Purchases by the Cooperative member may be made by a purchase order issued by the Cooperative member to the state contractor. The Cooperative member accepts full responsibility for payment for any goods and services it purchases under contracts negotiated by OSP with private vendors or items it purchases directly from OSP. The Cooperative member accepts responsibility for contract monitoring related to their use of these contracts.

5. The Cooperative member reserves the right to contract independently for the purchase of any particular class of goods or services, with or without notice being given to OSP.

6. This Agreement shall be effective on the later of the two signatures dates appearing below, and shall continue in force until canceled in writing by either party.
In the event that either the Office of the State Procurement or the Cooperative member is abolished, this Agreement shall continue in operation as to any public agency succeeding to the powers and duties of the abolished party, except as canceled or modified by operation of law. The Cooperative member may request a refund of unexpired membership exceeding three months, which may be approved by OSP at their discretion.

The Cooperative member agrees to use only contracts available to the Cooperative member and only in accordance with those contract terms and conditions. The Cooperative member further agrees that all purchases from OSP contracts will be made only for the direct use of the Cooperative member’s programs (as covered by this agreement) and will not be made on behalf of other jurisdictions (Cooperative member’

The Office of State Procurement is required by Chapter 236-49-060 WAC to recover the costs of administering the state purchasing cooperative program from all its members. The Membership Fee Schedule below sets forth the fee structure for Cooperative members that are not Washington State Agencies, which is based on the total expenditures less debt service and interfund transfers, as reported in the Cooperative member’s last audited financial statements. The Cooperative member shall be charged a membership fee based upon the self-declaration, as indicated by their signatory’s initials in the first column of the Membership Fee Schedule below. The Cooperative member’s self-determined membership fee is subject to change if not validated by OSP during its subsequent reviews. This membership fee is due upon subscribing for the first year of membership and by January 31 of the membership cycle. The membership term is January 1st 2008 through December 31st 2009. The Cooperative member agrees to pay the membership fee as a part of this Agreement. New memberships beginning after June 30 may be prorated and will be established at the discretion of OSP.

Membership fees are established every two years. The State Auditors’ most recently published Local Government Comparative Statistics report will be used to verify membership fee. Where a Cooperative member is not reported separately in that document, audited financial statements as published in the State Auditors’ Website will be used. The Superintendent of Public Instruction (OSPI) web site will be used to verify fee issues for School Districts. The most recent audited financial statement will be used as the authoritative source to resolve any issues regarding the Annual Membership Fee due from the Cooperative member. Any Cooperative member not reported in the OSPI or State Auditor’s Websites, must submit a copy of its most recent audited financial statements to OSP. When a member does not have audited financial statements, the member shall provide internal budgets or financial statements to OSP if requested.

In addition to accessing State contracts established by the Office of State Procurement, custom contracting and procurement services are available for an additional predetermined fee. These include development of contracts and/or single requisitions that meet specific needs. The cost for these optional services, typically a flat fee, is established at the time of request.

It is not the intention of the parties, nor shall this Agreement be interpreted, to create a separate legal entity for the performance of this Agreement. Instead, the Office of State Procurement shall be responsible for administering this Agreement.

The Cooperative member shall be responsible for filing a copy of this Agreement with its county auditor’s office.

By its signature below, the Office of State Procurement confirms it approves of this Agreement as required by RCW 39.34.050 and it is authorized to enter into this Agreement pursuant to RCW 39.34.030 and RCW 39.34.080. Similarly, by its signature below, the Cooperative member confirms it is authorized to enter into this Agreement pursuant to RCW 39.34.030 and RCW 39.34.080.

PAYMENT and NOTICES: Payment shall be made to OSP at the address given herein. Further, any notice, demand or other communication required or permitted to be given under this Contract shall be made to the parties at the addresses provided below.

'Expenditures' is an Auditor phrase. You may also know it as Operational Fund. Essentially, the funds required for the city to do business everyday. Let me show you what I have to use: I would use; $54,302.7 - $3271.5 - $1339.9 = $49,691,300. Bringing your fee to: $4,000 for two years. (12/31/08)

Is the annual expenditure amount what we spend on everything for the year or just what we spend on state contracts? I don't have access to our financial reports so I have no idea what box to check on the form. Any help is appreciated.

Subject: RE: Purchasing Cooperative Membership Fee

Good Morning!

I'm glad you wrote; I was just about to call your office. The great City of Lynnwood has been a Coop member for log time.

An e-mail w/ instructions went out in December to: nwoods@ci.lynnwood.wa.us. Then a hard letter was mailed in March. I've attached the new Inter-Local Agreement that I need to activate your account, and begin quarterly invoicing.

And below is the actual letter w/ links to the contracts members are eligible for. Per the instructions; I can now accept a scanned PDF copy of the hand-signed agreement. I'll activate your account your account as soon as I have the 3-pg 'contract'.

Your agency should have received an e-mail from this office in December. I have attached the links to the newest Inter-Local Agreement (contract). Your fees have not been raised. The membership term was doubled to keep the fees low. The fee is still based on your annual expenditures, less debt service, and any inter-fund transfers.

5/22/2008
How to Join / Renew:

1. Please download the appropriate contract via the link below.

2. There is no Renewal form. You must click on “Join The Coop” to download a new inter-local agreement, regardless of prior membership.

3. Complete all required entries on page 3 in ink.

4. You may mail the completed and signed original to the address on page 3. You may also send a scanned copy of the signed agreement via e-mail. Please scan in PDF format, and e-mail to: fsrain@ga.wa.gov.

5. Once we have your completed agreement, we will activate your account.

6. We will verify your annual expenditures as reported in your last financial audit.

7. The GA Finance Office (FO) will begin sending a quarterly invoice via the e-mail account you listed on the agreement. The invoice will reflect the two-year membership and will run through the membership. I.e., 4 invoices per year.

8. It is the member’s responsibility to file a copy of the Inter-Local Agreement with your auditor. Please retain a second copy for your records.

9. Not-For-Profit Organizations: As per the Agreement, please include your proof of 501©3, and Secretary of State's Certificate. Please include a summary page(s) that shows your annual expenditures, debt service (interest and principle) and any inter-fund transfers. Please don’t forget to annotate your government funding sources on page one.

10. Fire Depts. & School Districts are Political Subdivisions; they are not non-profit entities.

http://www.ga.wa.gov/pca/spc.htm - link for Poli-Subs / Non-Profits to join the coop.

http://www.ga.wa.gov/purchase/search-contracts.htm - contracts available to members.

There are many ways to save time & funds: vehicles, carpet, paint, building materials, tractors/backhoe, lawn & grounds, 2-way radios, radar, rescue equipment, environmental consulting, generators, refrigeration, bread, dairy, lighting, office equipment, furniture, linen & laundry, batteries, fuel, and tires. AND, using state contracts fulfills your bid requirements; because the state has already completed that process.

Perhaps the quickest way to become familiar with the various contracts is to go to the contracts link above, then scroll to block 6. You can then choose to view all active contracts.

Remember that your organization will also have access to over 100 Oregon contracts as well. To view and access Oregon contracts; please contact: Nancy Aihlin, (503) 378-2497 Nancya.ahlbin@state.or.us. Please contact me if I can clarify any questions.

Frank,

I looked on the GA’s list of Cooperative Member’s and I didn’t see the City of Lynnwood on the list. Can you tell me if we’ve paid to be a cooperative member before? I’m a little confused about this whole process because I’m not sure what was done prior. Thanks for your help!

March 2008

LYNNWOOD CITY OF
PO Box 5008
LYNNWOOD WA  98046 5008

Dear Purchasing/Business Manager:

We have some important news about your State Purchasing Cooperative membership fee. Beginning in 2008, a membership fee will now pay for a two-year term.

The new membership will start January 1, 2008 and run through December 31, 2009. Only first-time members may receive a pro-rated fee, and only at the discretion of General Administration’s Office of State Procurement.

We are making this change to reduce our administrative costs, so that we can maintain the current fee rate, which hasn’t gone up since 1995.

Prior to making this change, we surveyed our members to find out if a two-year membership fee would be a financial burden. Most members said it would not be a concern.

You will receive a quarterly invoice for your membership fee over the term of the agreement.

The benefits of being a purchasing cooperative member have not changed. As one of more than 700 cooperative members, your collective buying power allows us to negotiate substantial savings on contracts for goods and services. Members also save time on the purchasing process, so you can focus on your other work.

Government members have access to more than 300 contracts. Non-profit members have access to more than 190 contracts.

**How to Join / Renew:**

1) Please download the appropriate contract via the link below.
2) Complete in ink all required entries on page 3.
3) Mail the original to the address on page 3. You may also send a scanned copy of the signed agreement via e-mail. Please scan in PDF format, and e-mail to: fspain@ga.wa.gov

4) Once we have your completed agreement, we will activate your account.

5) We will verify your annual expenditures as reported in your last financial audit.

6) The General Administration Finance Office will begin sending a quarterly invoice via the e-mail account you list on the agreement. The invoice will reflect the two-year membership. The fee is still based on your annual expenditures, less debt service and inter-fund transfers.

7) Once verified, I will sign the agreement and fax or e-mail a copy of page 3 with the Co-op Manager’s signature for your records.

8) It is the member’s responsibility to file a copy of the Inter-Local Agreement with your auditor. Please retain a second copy for your records.

9) Not-For-Profit organizations: Please include your proof of 501(c) (3) status, and Secretary of State’s certificate. Please include a summary page(s) that shows your annual expenditures, debt service (interest and principal) and any inter-fund transfers. Please don’t forget to note your government funding sources on page 1.

- Political Subdivisions (includes schools and fire departments) and Not-For-Profit organizations: http://www.ga.wa.gov/pca/spc.htm
- Renewing members: http://www.ga.wa.gov/purchase/search-contracts.htm

This message is being sent now because some of our members did not receive the original email message in December 2007.

For more information about the two-year membership fee, please contact Frank Spain at (360) 902-7415 or fspain@ga.wa.gov.

Thank you for being a member of the General Administration State Purchasing Cooperative Program.

Just remind everybody that there's a lot of contracts to save money on. Some folks only focus on the big ticket items, and forget the rest. I figure if you're going to join; milk it!!

Hi Frank,

Thanks for sending this information. Nancy Woods doesn't work here anymore so that's why we never received the email, only the mailed copy. I'll talk with my manager when she gets out of a meeting this morning. I believe our mayor will have to sign this. Will be in touch.

Candice

Good Morning!

I'm glad you wrote; I was just about to call your office. The great City of Lynnwood has been a Coop member for log time.

An e-mail w/ instructions went out in December to: rwoods@ci.lynnwood.wa.us. Then a hard letter was mailed in March.

5/22/2008
I've attached the new Inter-Local Agreement that I need to activate your account, and begin quarterly invoicing. And below is the actual letter w/ links to the contracts members are eligible for. Per the instructions; I can now accept a scanned PDF copy of the hand-signed agreement. I'll activate your account your account as soon as I have the 3-pg 'contract'.

Your agency should have received an e-mail from this office in December. I have attached the links to the newest Inter-Local Agreement (contract). Your fees have not been raised. The membership term was doubled to keep the fees low. The fee is still based on your annual expenditures, less debt service, and any inter-fund transfers.

**How to Join / Renew:**

1. Please download the appropriate contract via the link below.

2. **There is no Renewal form. You must click on “Join The Coop” to download a new inter-local agreement, regardless of prior membership.**

3. Complete all required entries on page 3 in ink.

4. You may mail the completed and signed original to the address on page 3. You may also send a scanned copy of the signed agreement via e-mail. Please scan in PDF format, and e-mail to: fspain@ga.wa.gov.

5. Once we have your completed agreement, we will activate your account.

6. We will verify your annual expenditures as reported in your last financial audit.

7. The GA Finance Office (FO) will begin sending a quarterly invoice via the e-mail account you listed on the agreement. The invoice will reflect the two-year membership and will run through the membership. I.e., 4 invoices per year.

8. It is the member’s responsibility to file a copy of the Inter-Local Agreement with your auditor. Please retain a second copy for your records.

9. Not-For-Profit Organizations: As per the Agreement, please include your proof of 501©3, and Secretary of State’s Certificate. Please include a summary page(s) that shows your annual expenditures, debt service (interest and principle) and any inter-fund transfers. Please don’t forget to annotate your government funding sources on page one.

10. **Fire Depts. & School Districts are Political Subdivisions;** they are not non-profit entities.

http://www.ga.wa.gov/pca/spc.htm - link for Poli-Subs / Non-Profits to join the coop.

http://www.ga.wa.gov/purchase/search-contracts.htm - contracts available to members.

There are many ways to save time & funds: vehicles, carpet, paint, building materials, tractors/backhoe, lawn & grounds, 2-way radios, radar, rescue equipment, environmental consulting, generators, refrigeration, bread, dairy, lighting, office equipment, furniture, linen & laundry, batteries, fuel, and tires. AND, using state contracts fulfills your bid requirements; because the state has already completed that process.

Perhaps the quickest way to become familiar with the various contracts is to go to the contracts link above, then scroll to block 6. You can then choose to view all active contracts.

Remember that your organization will also have access to over 100 Oregon contracts as well.
To view and access Oregon contracts; please contact: Nancy Ahlbin, (503) 378-2497 Nancya.ahlbin@state.or.us. Please contact me if I can clarify any questions.

Frank,

I looked on the GA's list of Cooperative Member's and I didn't see the City of Lynnwood on the list. Can you tell me if we've paid to be a cooperative member before? I'm a little confused about this whole process because I'm not sure what was done prior. Thanks for your help!
