octagon
Sign Language

Sign language practice is important but it also helps with writing and fine motor skills. Here are the signs we practice daily in class:

**Practice alphabet:**
A-T, letter+sound+word

**Practice numbers:**
1-16, count forward and backward

**Practice colors:**
red, orange, green, purple, pink, blue, white, yellow

**Practice phrases:**
Yes, No, Please, Thank you, I’m sorry, My, More
Pledge of Allegiance:
I pledge allegiance to the flag
Of the United States of America.
And to the republic for which it stands,
One nation, under God, indivisible
With liberty and justice for all.

Sight Words

After mastering writing their name and letter sounds, the next step we take in small group is beginning reading skills. Cut apart the sight words on the following pages and use them for practice at home. Make practice fun by looking for words on your child’s cereal box, at the grocery store and in story books. You will be amazed at how fast they learn them and how quickly they start to sound out other words as well!
