The Great Bug Detective!

Spring has sprung! We are going buggy this month as we learn all about creepy, crawly insects in our new theme: The Great Bug Detective! This month students will become bug experts as they learn about different types of bugs. We will be raising our own lady bugs, going on a bug hunt and designing our own bug creations! Students will also learn about Arbor Day & Earth Day and the importance of taking care of our planet.

This month is also National Volunteer month. We have a special section thanking our volunteers, so take a look at everyone who has been a volunteer in our class this year!

April 3rd. Each child is asked to bring in 12 (1 dozen) plastic, treat filled eggs for the hunt. Eggs can be stuffed with candy, stickers, tattoos, etc. Read on for more information about the Egg Hunt and all of the upcoming Kids Klub Spring Events!

Happy Spring!

WRITING FOR PRESCHOOLERS

The preschool years provide parents and teachers with the opportunity to build a solid base upon which good writing skills will be developed in later years. Use this critical time in a child’s development by providing paper, crayons, large pencils, good modeling on your part, and most of all, lots of encouragement and supportive response. Let your child see you writing—grocery lists, thank you cards, checks, etc. and encourage them to do their own. Note: Be sure to monitor pencil grip as improper muscle memory is hard to unlearn!

SAVE THE DATE

Parents, mark your calendars! We have several big events planned in May & June including:

PUT THIS ON YOUR CALENDAR!
ACADEMIC FOCUS
This month we will focus on the letters U, V, and W as well as the numbers 17 and 18. Our color this month is BLACK and our shape is OCTAGON. Feel free to review these at home with your child.

SPOTLIGHT ON VOLUNTEERS
We have been so fortunate to have such wonderful volunteers in our program this school year! Whether they were taking projects home, helping with a Monday small group activity, assisting at a class party or Volunteering as a guest speaker, we really are lucky to have you as part of our class ‘family’ this year! Thank you for all of your help—we appreciate all you do!
-Teacher Jamie & Teacher Darci

PARENT TIP
Good Night Sleep
Parents of young kids know how precious sleep can be. It’s important to remember that a lack of sleep can impact your preschooler’s behavior and ability to have a good day at preschool. Kids ages three to six years old typically need between 10-12 hours of sleep per day.

LYNNWOOD LIBRARY
Next month our classroom art work will be displayed at the Lynnwood Library! Come see your child’s rendition of a Praying Mantis in the Childrens Section during the month of May!

Check out other events and storytimes at the Library by visiting: www.sno-isle.org
