Description of Work:

All permits expire 18 months from issue. This permit becomes null and void if work or construction authorized is not commenced within 180 days, or if construction or work is suspended or abandoned for a period of 180 days at any time after work is commenced. I/We hereby certify that I have read and examined this application and know the same to be true and correct to the best of my knowledge and further that I am authorized by the owner of the above premises to perform work for which the permit application is made. All provisions of laws and ordinances governing this type of work will be completed whether specified or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
