DEADLINE TO SUBMIT BUSINESS LICENSE APPLICATION FOR A FIREWORKS STAND IS JUNE 1ST, 5:00 PM

Business license applications and the supplemental application for Fireworks Stands are available at City Hall. Each stand must complete its own application and contain the following (per LMC 9.12):

1. Be signed by an officer of the entity operating the stand.
2. List the address and telephone number of any proposed storage locations other than the stand.
3. Include a certificate of insurance where both the City and the applicant are named as insured.
4. Contain detailed construction and site plans, including parking, traffic lanes, and restricted areas.
5. Contain an affirmation that all employees will be familiar with the provisions of Chapter 212-17 WAC.
6. Contain a $150 debris bond per proposed stand, per the requirements of LMC 9.12.
7. Contain a letter of authorization from the property owner or authorized agent.

Applications received by 5 PM on June 1 will be reviewed by the Fire Marshal and ultimately approved by the Finance Department. The Fireworks Stand checklist and any accompanying permit will be completed and must be posted so as to be visible from outside the stand at all times.

Fireworks stands may only be located in commercial zones. All stands shall be constructed under the supervision of the Fire Marshal. Stands over 400 sq. ft. in size will require a building permit; all electrical, mechanical or signage will require a separate permit. All inspections and corrections to stands, if necessary, shall be completed prior to opening for business.

Fireworks stands must comply with the provisions of Chapter 212-17 WAC at all times.

SALES WITHIN THE CITY OF LYNNWOOD – PER LMC 9.12.130

Sales may not begin until a current license is obtained from the Washington State Patrol Fire Protection Bureau.

At least one adult over the age of 18 must be present in the stand during hours of sale to the public.
