

# It's Not Easy Being **GREEN**

The Lynnwood Arts Commission invites visual artists to submit their work to our 7<sup>th</sup> annual juried themed art exhibit. This year's themed exhibit is titled **It's Not Easy Being Green**. Artwork submitted should explore either the color green or the idea of being environmentally "Green". The exhibit will take place from **September 27th through November 18th, 2010** at the Lynnwood Library Gallery. This Juried show is open to Washington state artists of all ages and levels. **Applications will be accepted through July 31, 2010.**

The exhibit will be juried by the Arts Commission, and the awards will be juried by a prominent local professional in the art community. The Arts Commission will present several awards at an artist reception on October 2nd, 2010.

The commission will also consider the artwork for purchase for the City's permanent collection. The Lynnwood Library Gallery is sponsored and maintained by the Lynnwood Arts Commission, with shows featuring local and regional artists working in a variety of mediums. No commission is charged for sales made. The gallery is visited by approximately 1,500 people monthly.
