Dwelling Unit, the requirement of owner-occupancy, and any other standards or requirements for maintaining the unit as a separate dwelling unit.

3. Any permit issued for an Accessory Dwelling Unit shall expire two years from the date of approval unless a building permit for the Accessory Dwelling Unit has been obtained. The Community Development Department Director may grant a single one-year extension to this time limit, provided a written request for an extension is received before expiration.

4. Any permit issued for an Accessory Dwelling Unit shall be issued only to the property owner and shall be valid only so long as the permit holder owns the property in title or as a contract purchaser. Such a permit shall expire automatically upon any transfer of property ownership from the permit holder.

5. It is the responsibility of the owners, applicants and agents to become aware of the requirements of Title 21-Zoning of the Lynnwood Municipal Code. It is strongly encouraged that a pre-application conference with the City staff be scheduled prior to submittal of an application.

6. An approved ADU application only becomes a valid permit when it is recorded with the Snohomish County Auditor's Office, Recording Division, and a recording number is provided to the City. Requirements for recording, fees, and frequently asked questions are available online at: <http://www1.co.snohomish.wa.us/Departments/Auditor/Divisions/Recording/>

7. An application may be amended only in writing.

8. Submittal of this application grants the appropriate city officials the right of entry to the project site during a reasonable hour and, upon proper identification, to the building, structure and/or premise, which is directly related to this application.

9. In each application the burden of proof rests with the applicant, petitioner or proponent.

10. Items with any typewritten information must be 10-point font or larger to ensure legibility of scanned documents.
